Why do we arrange this hackathon

- Get to know you - and expand the FHIR community in Denmark
 - Make a fun day for all of us
- Increase the FHIR knowledge
- Promote FHIR, FHIR tooling and the community
- We do this as a part of Nordic Hackathons: <https://fhir.fi/hackathon/2026/>

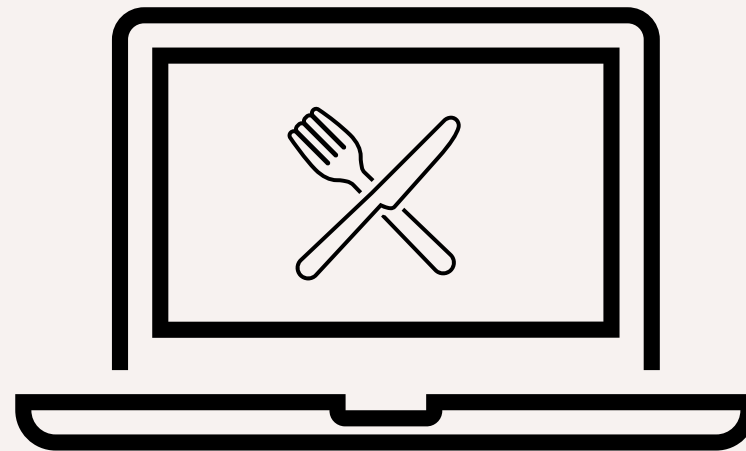

Practical information – when and where

- Date: October 6th, 2026
- Location: Forskerparken 10, 5230 Odense
 - DSD/MedCom provides the venue and rooms
 - Meeting point is at the building in the center (full red arrow →)
- Transport:
 - Car – free parking
 - Train to Odense Banegård → Letbane to SDU or bus to Stærmosegårdsvej → Walk (~1 km)
 - Arrange transport in Zulip from Odense Banegård to Forskerparken

Practical information

- Bring
 - Laptop, charger, (extension cord and extra screen if you want to)
 - Your curiosity, good ideas and have fun!
- DSD/MedCom provides lunch and snacks during the day
 - A big thank you!
 - We will make sure to accommodate your lunch-requests.
- Preparation
 - Next preparatory webinar is next Tuesday, September 29.
 - We don't expect you to join all three, just one.

Program

9:00 - 9:30	Welcome and track introductions
9:30 - 12:00	Hacking
12:00 - 13:00	Lunch – small talk, hack and eat
13:00 - 15:30	Hacking
15:30 - 16:30	Track presentations and wrap-up

JUN 23 5:33 PM

Casual meet up

- After the Hackathon
- You are welcome to join us for casual, self paid drinks and food to wrap off the day
- We will meet up at [Storms Pakhus](#) in Odense shortly after the hackathon
 - Address: Lerchesgade 4, 5000 Odense
- No registrations needed in advance

E-sundhedsobservatoriet

- We've got a pitch session at [E-sundhedsobservatoriet](#), where we are going to share the results of the hackathon.
- It would be awesome if of you wanted to share your experiences and thoughts - but it is of course optional!
