Welcome to
Hackathon
hosted by
HL7 Denmark

HL7®
Affiliate | Denmark

We will begin at **09:10** in this room

Please grab something to eat and drink

Agenda

9:10 - 9:30 Welcome and short presentation

9:30 - 12:00 Hacking

12:00 - 13:00 Lunch – small talk, hack and eat

13:00 - 15:30 Hacking

- 13:45 – cake and coffee is served

15:30 - 16:30 Track presentations and wrap-up

- Track leads will present the outcome of the track (maybe with a demo), and please bring some feedback about this day.

Danmark/MedCom

Reminder - Why do we arrange this hackathon

- Get to know you - and expand the FHIR community in Denmark
  - Have fun with you!
- Increase the FHIR knowledge
- Promote FHIR, FHIR tooling and the community
- We do this as a part of Nordic Hackathons: https://fhir.fi/hackathon/2026/

42 attendees signed up

Rooms

Center building

- **Conference room (Track 2, Kirstine)**
- Lounge area down the stairs for breakouts

Building A (Take exit A from here, walk straight across to the opposite building)

- **Meeting room C (Track 1, Jens)**
- **Meeting room D (Track 3, Jacob)**
- Project room 1 and 2 (across from room C) can be used as breakout room

Different information...

We will take some photos throughout the day

- For LinkedIn and Hackthon-IG.
- Please reach out to Thea, if you don’t want a photo of you to be shared.

In the meeting rooms you’ll find Wi-Fi name and code for guests.

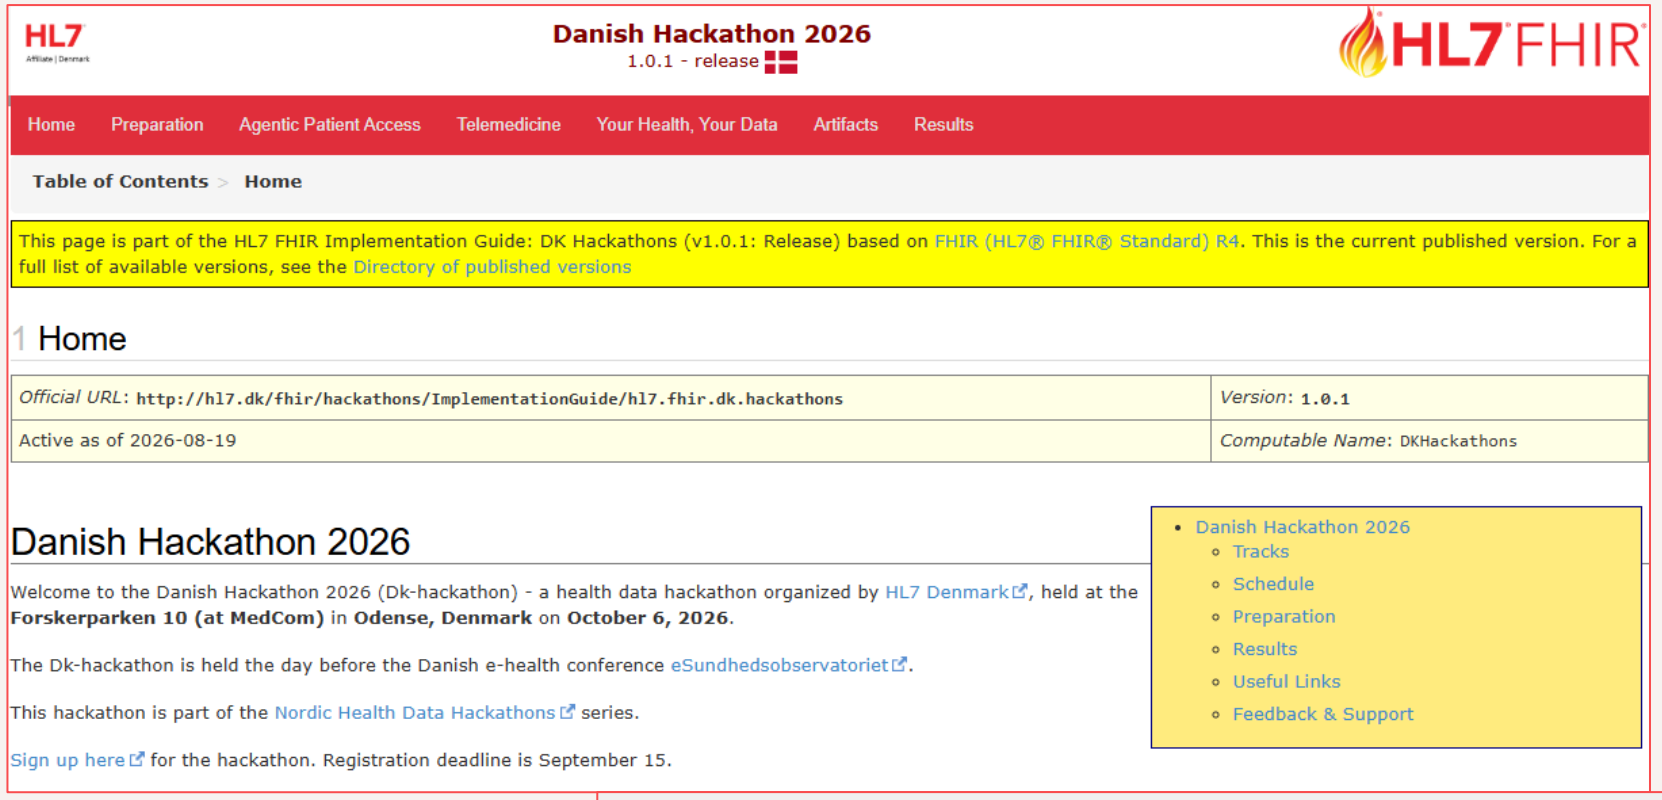

All food is served outside the Conference-room

- Sandwiches and soda for lunch, and your requests are taken into account.
- Coffee, tea and water is available in the meeting rooms.

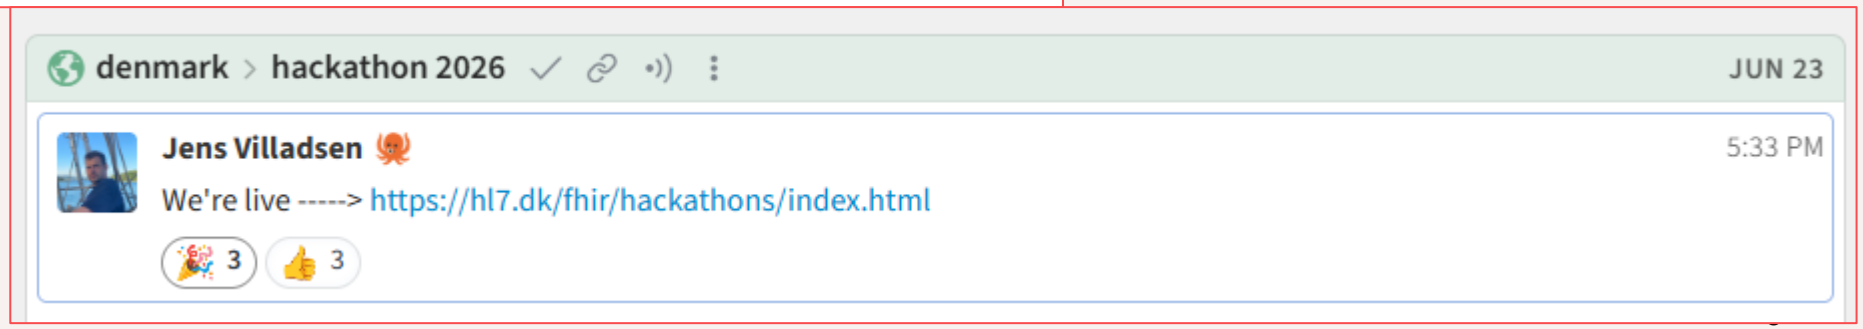

If your brain needs a break, you are welcome to visit the other tracks!

Places to find information

Hackathon IG

Zulip

Casual meet up – Will you join us?

- You are welcome to join us for casual, self paid drinks and food to wrap off the day
- We will meet up at Storms Pakhus in Odense shortly after the hackathon
  - Address: Lerchesgade 4, 5000 Odense

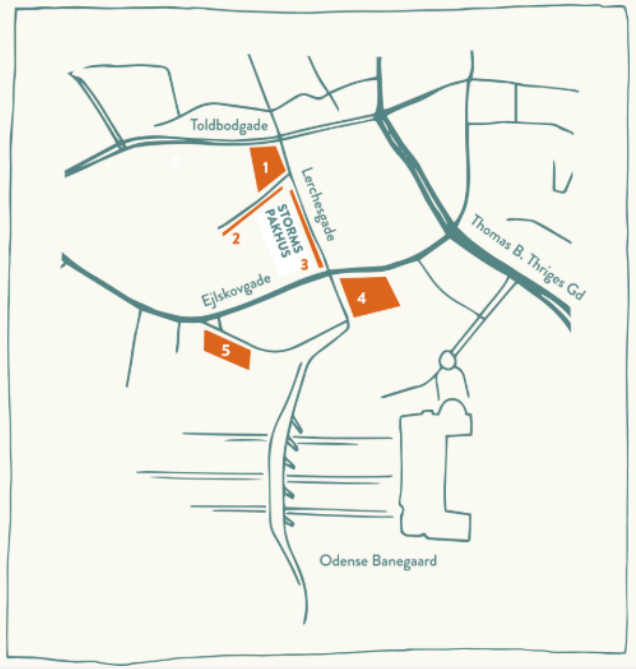

Parkering

Står du og mangler en parkeringsplads? Faktisk er der masser af parkeringsmuligheder tæt på Pakhuset. Så parker bilen, og tag et smut forbi vores mange street food-boder og kreative erhverv. Nedenfor kan du se hvilke parkeringsbetingelser du finder ved Pakhuset:

1. Parkering ved betaling
2. Fri parkering på afmærkede områder
3. Tre timers gratis parkering
4. Parkering ved betaling
5. Parkering ved betaling

Cykelparkering

Du kan parkere din cykel på langsiden af Pakhuset på Lerchesgade og Ejlskovsgade. Du er også altid velkommen til at parkere hos VUC i tidsrummet 17.00 – 07.00.

E-sundhedsobservatoriet

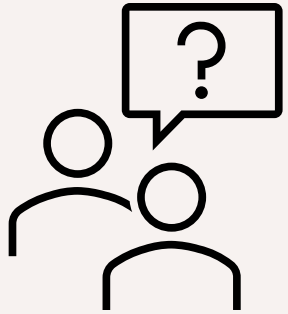

- We've got a pitch session at E-sundhedsobservatoriet, where we are going to share the results of the hackathon.
- It would be great if one of you wanted to share your experiences and thoughts from today - but it is of course optional!

Interested in joining HL7 Denmark?

- Reach out to one of the members.
  - Dansk Standard is secretary for HL7 Denmark, read more here: https://www.ds.dk/da/udvalg/kategorier/sundhed/hl7-Denmark.

- Follow us on LinkedIn for information on future event: https://www.linkedin.com/company/hl7dk

Any question?

Let the hacking begin!

- Find your room, and the track leads will begin when you are ready.
